1. Do students know who Samaritans are and what they do?
2. What sort of problems do people call Samaritans with?
3. Why do you think Samaritans offer this service for everyone?
4. Why might someone choose to ring Samaritans rather than talk to a teacher?
5. How do you think calling Samaritans would help?

Make sure students understand that there are a range of services and Samaritans is one of these, offering space to talk for anyone. Use the information sheet for further information.
